Positive Behavioral Supports is a school-wide systematic approach to discipline and behavioral support in our schools. It is an evidence-based framework for providing a broad range of systematic and individualized strategies for achieving academic and behavioral outcomes while preventing problem behavior. PBS focuses on teaching then reinforcing positive behaviors as well as, changing the environment such that using positive behaviors becomes more effective than using negative behaviors. Schools utilizing PBS have the following in place:

- More than 80% of students can tell you what is expected of them & can give behavioral examples because they have been taught, actively supervised, practiced, & acknowledged.
- Positive adult-to-student interactions exceed negative.
- Administrators are active participants.
- Data & team-based action planning & implementation.
- Function based behavior support is a foundation for addressing problem behavior.
- Full continuum of behavior support is available to all students.
